Audience Parking

-- ATTENTION! --

CONSTRUCTION is underway for a Parking Structure on the lot between Diddle Arena and Smith Stadium.

Buses of Performing Bands will park on the Practice Field below the stadium (Red "X").

All Equip. Trucks will park on Big Red Way with access by Dogwood Ave. (see map). Signs and WKU Police will direct traffic to the proper places. Access for performing bands' (this site--this event) trucks and buses is from University Boulevard (as always).

Please also note "Audience Parking" options on map. When construction is completed future audience members will have a new parking structure right "next door" to the stadium.

A limited amount of Handicapped Permit parking is available. (Blue "H" on map) Follow Equipment Truck directions.
